

Johnny B. Goode - Chuck Berry

Deep down in Louisiana close to New Orleans
Way back up in the woods among the evergreens
There stood a log cabin made of earth and wood
Where lived a country boy named Johnny B Goode
Who never ever learned to read or write so well
But he could play the guitar just like a-ringin a bell

Chorus

Go go... go Johnny go, go, go
Go, Johnny go, go, go
Go, Johnny,go, go, go
Go, Johnny, go go
Johnny B. Goode

He used to carry his guitar in a gunny sack
Or sit beneath the tree by the railroad track
Oh an engineer could see him sitting in the shade
Strummin' to the rhythm that the drivers made
People passing by they'd stop and say
Oh my but that little country boy can play

Chorus

His mother told him some day you will be a man
And you will be the leader of a big old band
Many people coming from miles around
And hear you play your music till the sun goes down
Maybe someday your name gonna be in light
Sayin' Johnny be Goode tonight

Chorus x 2

Build Me Up Buttercup - The Foundations

Chorus

*Why do you build me up, Buttercup, baby
Just to let me down and mess me around
And then worst of all you never call, baby
When you say you will but I love you still
I need you more than anyone, darling
You know that I have from the start
So build me up, Buttercup, don't break my heart*

"I'll be over at ten", you told me time and again
But you're late, I'm waiting 'round and then
I run to the door, I can't take any more
It's not you, you let me down again

Hey, hey, hey. Baby, baby, try to find
Hey, hey, hey. A little time, and I'll make you happy
I'll be home , I'll be beside the phone waiting for you

Chorus

To you I'm a toy, but I could be the boy
you adore. If you'd just let me know
Although you're untrue, I'm attracted to you
all the more. Why do you treat me so

Hey, hey, hey. Baby, baby, try to find
Hey, hey, hey. A little time, and I'll make you happy
I'll be home , I'll be beside the phone waiting for you

Chorus

*I need you more than anyone, darling
You know that I have from the start
So build me up, Buttercup, don't break my heart*

Daydream Believer - The Monkees

Oh, I could hide 'neath the wings
Of the bluebird as she sings
The six o'clock alarm would never ring
But it rings and I rise
Wipe the sleep out of my eyes
My shaving razor's cold and it stings

Chorus

*Cheer up sleepy Jean
Oh what can it mean to a
Daydream believer and a
Homecoming queen*

You once thought of me
As a white knight on his steed
Now you know how happy I can be
Oh, and our good times start and end
Without dollar one to spend
But how much, baby, do we really need

Chorus x 2

Holding Out For A Hero - Bonnie Tyler

Where have all the good men gone and where are all the gods?
Where's the streetwise Hercules to fight the rising odds?
Isn't there a white knight upon a fiery steed?
Late at night I toss and turn and I dream of what I need.

Chorus

*I need a hero, I'm holding out for a hero 'til the end of the night,
He's gotta be strong and he's gotta be fast,
And he's gotta be fresh from the fight.
I need a hero, I'm holding out for a hero 'til the morning light,
He's gotta be sure, and it's gotta be soon,
And he's gotta be larger than life...*

Larger than (life)

Oo oo oo oo

Oo oo oo oo

Oo oo oo oo

Aaah aaah

Somewhere after midnight in my wildest fantasy,
Somewhere just beyond my reach there's someone reaching back for me.
Racing on the thunder and rising with the heat
It's gonna take a superman to sweep me off my feet,

Chorus x2

Gold – Spandau Ballet

Thank you for coming home... I'm sorry that the chairs are all worn
I left them here, I could have sworn
These are my salad days... slowly being eaten away
It's just another play for today
Oh but I'm proud of you, but I'm proud of you
Nothing left to make me feel small
Luck has left me standing so tall

Chorus

*Gold Gold!
Always believe in your soul
You've got the power to know
You're indestructible... always believe in
Because you're Gold Gold!
Glad that you're bound to return
There's something I could have learned
You're indestructible
Always believe in*

After the rush has gone, I hope you find a little more time
Remember we were partners in crime
It's only two years ago... the man with the suit and the pace
You knew that he was there on the case
Now he's in love with you, he's in love with you
My love is like a high prison wall
But you could leave me standing so tall

Chorus

Your love is like a high prison wall
But you could leave me standing so tall

Chorus

I'm A Believer - The Monkees

I thought love was only true in fairy tales
Meant for someone else but not for me.
Love was out to get me
That's the way it seemed.
Disappointment haunted all my dreams.

Chorus

*Then I saw her face
Now I'm a believer
Not a trace
Of doubt in my mind
I'm in love ...
I'm a believer!
I couldn't leave her
If I tried.*

I thought love was more or less a given thing,
Seems the more I gave the less I got
What's the use in trying?
All you get is pain.
When I needed sunshine I got rain.

Chorus

Love was out to get me
That's the way it seemed.
Disappointment haunted all my dreams.

Chorus

Lady Madonna – The Beatles

Lady Madonna, children at your feet
Wonder how you manage to make ends meet
Who finds the money when you pay the rent
Did you think that money was Heaven sent?

Friday night arrives without a suitcase
Sunday morning creeping like a nun
Monday's child has learned to tie his bootlace
See how they run

Lady Madonna, baby at your breast
Wonder how you manage to feed the rest?

(Ba ba ba baaa...)

See how they run
Lady Madonna lying on the bed
Listen to the music playing in your head

Tuesday afternoon is never ending
Wednesday morning papers didn't come
Thursday night your stocking needed mending
See how they run

Lady Madonna, children at your feet
Wonder how you manage to make ends meet

Come on out with your dancing shoes
Here we go-ooo, rockin' all over the world

Here we go-ooo, rockin' all over the world

And I like it, I like it, I like it, I like it, I li-li-like it, li-li-like
Here we go-ooo, rockin' all over the world

C'mon Everybody - Eddie Cochrane

Ah well, c'mon everybody and let's get together tonight
I got some money in my jeans and I'm really gonna spend it right
Well I've been doin' my homework all week long
Tonight the house is empty and the folks are gone
OOH!
C'mon everybody !

Ah well my baby's number one but I'm gonna dance with three or four
And the house'll be a-shakin' from my bare feet slappin' on the floor
Well, if you hear that music you can't sit still
If your brother won't dance then your sister will
OOH!
C'mon everybody !

Well we'll really have a party but we gotta put a guard outside
If my folks come a-home I'm afraid they're gonna have my hide
There'll be no more movies for a week or two
No more running round with the usual crew
WHO CARES?
C'mon everybody !

All My Lovin' - The Beatles

Close your eyes and I'll kiss you

The lips I am missing
And hope that my dreams will come true
And then while I'm away
I'll write home ev'ry day
And I'll send all my loving to you

All my loving I will send to you
All my loving darling I'll be true

Close your eyes and I'll kiss you
Tomorrow I'll miss you
Remember I'll always be true
And then while I'm away

All my loving darling I'll be true
All my loving aaaaall my loving ooh

Footloose – Kenny Loggins

Been working, so hard keep punching, my card
Eight hours, for what? Oh tell me what-I-got
I got this feeling, that time's been holding me down
I'll hit the ceiling or else I'll tear up this town
tonight I gotta cut

Loose, footloose, kick off your Sunday shoes
Puh-lease, Louise, pull me offa my knees
Jack, get back, come on before we crack
Lose, your blues, everybody cut footloose

You're playing, so cool obeying every rule
Dig way down in your heart you're burning yearning for some
Somebody to tell you, that life ain't a-passing you by
I'm trying to tell you it will if you don't even try! You can fly
if you'd only cut

Loose, footloose, kick off your Sunday shoes
Ooee, Marie, shake it, shake it for me
Whoa, Milo, come on, come on let's go
Lose, your blues, everybody cut footloose

Whoa-oh-oh-oh! x3

Oh You've got to turn me around... and put your feet on the ground
I'll take the whole of your fall, I'm turning it!

Loose, footloose, kick off your Sunday shoes
Please, Louise, pull me offa my knees
Jack, get back, come on before we crack
Lose, your blues
Everybody cut, footloose!
